Dear Friends:

Thank you so much for your wonderful support. It is such an exciting time to serve the Lord and we value your help more than we can say!

As food prices are soaring, a long time vision is unfolding here at Friend Ships to grow fresh vegetables for our local poor and needy and Friend Ships volunteers. We have been blessed with a commercial size greenhouse to bring the vision to fruition. Church and school groups along with many individual volunteers came to Port Mercy this spring and helped our team to erect this wonderful greenhouse. It is now starting to produce.

Thank you Lord for your abundant provision!

As Christmas is approaching, please consider purchasing as a gift,

**Friend Ships Jesus & Company, Parts 1 & 2.** Part 1 recounts the remarkable

story of how God raised up Friend Ships and accomplished the seemingly impossible, time after time. Part 2 tells of the first decade of amazing provision and guidance as the Lord takes the ships and crew on voyages to Africa, Eastern Europe, Central America, Russia and the Caribbean. Both books are available as a package for \$25.00. You may order by emailing [portmercy@friendships.org](mailto:portmercy@friendships.org) or going to [www.friendships.org](http://www.friendships.org) and clicking on Give Now. Please indicate a book order in the Memo Section.

created in Christ Jesus to do good works, which God  
prepared in advance for us to do. Eph 2:10

## SEA HAWKS 2023 IN ISRAEL

We are very excited about the upcoming Sea Hawk class of 2023. It will take place entirely in the Middle East and include Bible study accompanied by exploration of Biblical and historical sites; mission preparation and experience; fitness training and, as opportunity allows, participation in archeological digs of Biblical sites. This is a wonderful opportunity for young adults to have a faith and character building experience that will impact their entire lives as they learn to incorporate the Lord and discipline into all aspects of their day to day life.

The program is all-scholarship. Costs are only for travel, uniforms and books. For more information, check out our webpage and/or subscribe to Friend Ships Sea Hawk Program on YouTube.

Current plans at Port Mercy include a refit and reactivation of Friend Ship Integrity to continue her disaster relief missions in the Western Hemisphere. Please pray that we are blessed with all the crew and resources needed to complete this job with excellence in the Lord's perfect timing!
