Dear Friends:

Thank you so much for your faithfulness to Friend Ships. Your prayers, gifts, service and friendship are invaluable to us! StoreHouse One has received thousands of pounds of beautiful food this month. It is distributed to the following organizations and churches who are doing so much to help people in need:

- **Vineyard Church, Christian Life Church and Island Church** (in Galveston, TX) who distribute to community families in need
- **Greater Saint Mary's Church** who operates a food bank for the community
- **The Lords Place and Water's Edge** who care for the homeless
- **Open Door Biker Church** who feed lunches every day to people in need and give out food boxes
- **Council on Aging** who provide resources for the elderly

This summer we will be providing food to a church who will be serving lunches to children in their community.

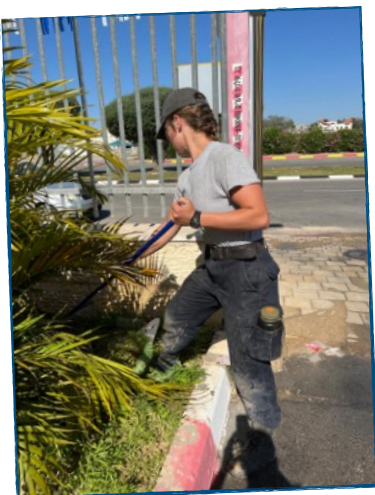

# Friend Ships

In mid-April Victory Worship Center from Sulphur, Louisiana led a local “foreign”missions trip with more than 40 people to Port Mercy to do a total repair, healing and remodeling of the home of a family who has faithfully served Friend Ships for almost 30 years. What a wonderful team. What an amazing gift of love.

The crew in Israel, in addition to staying safe from attacks by Iran, Hamas, Hezbollah and the Houthis, have packed up humanitarian aid for distribution, helped clean up the city and set up new schools, harvested in the fields and planted new crops.

If you would like to be a part of Friend Ships missions, please check out our website at [www.friendships.org](http://www.friendships.org) or email [portmercy@friendships.org](mailto:portmercy@friendships.org) for more information. Taking applications now for a Sea Hawk class starting in August!
