Dear Friends:

Thank you for the wonderful support you continually pour out on Friend Ships. We are so appreciative of your love and thoughtfulness!

In January, we had our first harvest and distribution to families in need from our bountiful greenhouse. With the freeze that has effected much of the US this season, it is an important addition to our regular incoming food from markets and bread manufacturers.

Friend Ships

In Israel, the team has relocated from Southern Israel back to the Golan Heights, to prepare for our next project in the North. More details on that next month.

Here, at Port Mercy, work continues on many projects including reactivation of Disaster Relief Ship, Pelican's Nest, distribution of food to the needy, Sea Hawk classes and Port Mercy improvement projects. We are starting to host visiting teams for this year that help us to accomplish so much and are looking forward to completing many important projects.

This year, in October, Friend Ships will celebrate our 40th year since the donation of the Spirit Ship. It has been an incredible journey with the Lord! Many of you have traveled it with us. We have survived every day on the promised of His Word and can testify without hesitation that God's faithfulness is beyond words!

And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work.

2 Corinthians 9:8
