Dear Friends:

REPAIRING THE HOME OUTSIDE

Victory brought a huge team and worked for three days on a mobile home so that it may be used for housing for our long-term, volunteer crew. They did such an excellent, professional job and took the project a long way toward completion. The Vineyard team worked hard and accomplished much, helping us sort linens donated by a local casino so they are ready to be utilized for disaster relief.

Thank you so much for your help. You are such an integral part of our team and exciting things are happening!

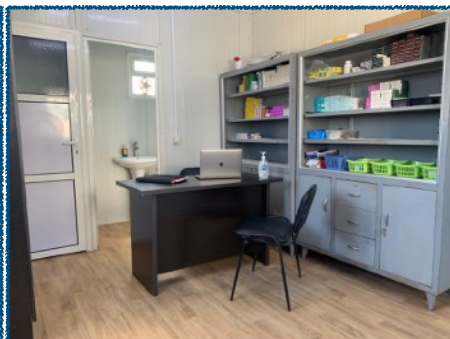

At our home base, Port Mercy in Lake Charles, we were blessed this month with help from Victory Sulphur and the Vineyard Church of Lake Charles.

BUILDING THE FACILITY

PREPARING THE CLINIC

In the Middle East the team has almost completed the set-up of our newest health clinic in Syria. We've been given the opportunity to work in a depressed, war-

torn area without medical care and very limited access to goods and services. We are establishing a medical clinic, humanitarian aid distribution and a children's play area. The crew has revamped an existing clinic to make it ready for use, moved in and set-up additional equipment and are now completing the water, power and sewage. In the first days of April, we were able to start seeing our first patients.

If you are interested in bringing a team to Port Mercy or to volunteer in the Middle East, please go to our website at www.friendships.org and fill out a volunteer questionnaire.

Eph 2: 8 For by grace you have been saved through faith, and that not of yourselves; it is the gift of God, 9 not of works, lest anyone should boast. 10 For we are His workmanship, created in Christ Jesus for good works, which God prepared beforehand that we should walk in them.

Thank you for joining with us at Friend Ships to walk in the good works prepared in advance for each of us to do!
