## October 2025 Activities Report

Dear Friends of Friend Ships:

We've had a great month at the Friend Ships Syria Health Center providing medical care, food and clothing distribution, play and classes for the local children. Friend Ships Director Teri Shields is in the Middle East currently and will, along with Sea Hawk Commander Murray Douglas, scout out a second Syrian location.

We had a wonderful 40 year anniversary celebration aboard our ship Pelicans Nest at Port Mercy. Crew members and special friends from throughout the years came from near and far to mark this great milestone. We remembered and rejoiced in the Lord's faithfulness and look forward to the next 40 years with Jesus!
